

A woman with long brown hair, wearing a red and black plaid shirt, is focused on using a transit machine. She is holding a small object, possibly a card or a coin, near the machine's interface. The machine is red and grey, with a yellow stripe. The background is blurred, showing other transit equipment and a person in a purple shirt.

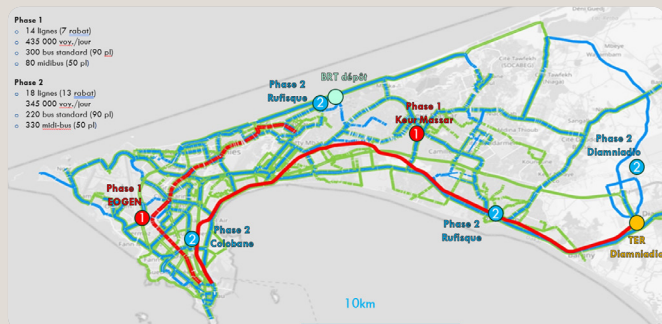

# DIGITAL & SMART MOBILITY

*We turn mobility data into efficient, sustainable systems.*

**setec** helps mobility authorities and operators harness digital technologies to improve performance, passenger experience and sustainability.

From ticketing and MaaS to interoperability, e-mobility and intelligent transport systems, we create smarter and more connected mobility solutions.
